KEEP IT TRASHY

Our slogan, **"Keep it Trashy,"** encourages our aspiring consumers to defy the wasteful, non-environmentally friendly, and depressingly repetitive trends that take precedent in the fashion market. All by keeping it trashy. To break from the norm. To not only stand out, but to also show that consumers of our brand are environmentally conscious. We at, **TREASURE**, want you to be able to express your individuality. So why not do so and **Keep it Trashy?**
